

GROOVZ studio of dance

Hamilton & Stevensville, MT

To whom it may concern,

GROOVZ is an organization dedicated to introducing kids ages 2 & up and adults in the Bitterroot Valley to various forms of dance and performance opportunities, through fun-filled, affordable, confidence boosting, engaging dance classes in Hamilton and Stevensville. In its past almost 14 years of business, GROOVZ has become a staple in most things “entertainment” in the Bitterroot, as the community loves seeing our kids perform and our kids love showing off their amazing talent. GROOVZ is currently planning and preparing for our 2023 Spring Recital in Stevensville June 9 & 10. In order to ensure the success of our show, we need to cover the fees associated with this production including facility rental, printing costs and advertising, and other unexpected expenses that may arise in prepping for shows. All instructors, choreographers, builders, costume creators, back stage techs, etc., graciously volunteer their time and talents to our show, but we are hoping to off-set some of the above mentioned costs through obtaining corporate or private sponsorships. We sincerely hope that you will consider being a proud supporter of the combined 330 Bitterroot students (ages 2-18) who make up our Spring Recital casts in Hamilton and Stevensville.

As a sponsor of the Stevensville shows, you will receive social media attention from your association with GROOVZ and the shows, along with advertisement in our event program (Close to 550 potential views within the 2 shows being presented), public thank you by the studio Director at the beginning of each show, a banner with your logo hanging in the venue during the shows, and 4 free tickets to the show of your choosing.

Below, I have listed in detail what the sponsorship would include. If you are interested in becoming a sponsor, please contact me as soon as possible so we can get your business set up. I greatly appreciate your time and consideration, as do all of my dancers!

Yours sincerely,
